

Please be aware that not all Foundation courses (ART 2201-2208) will be available and many have limited seats and sections due to COVID-19. You can use the Fall 2020 schedule to determine which courses have sections with available seats. We recommend you enroll in as many of these courses as possible with the likelihood that you will not be able to get into the four half-semester courses that can be taken in a semester. We also suggest that you continue to check the Fall 2020 schedule because seats in sections of additional Foundation courses may become available as students adjust their schedules and enrollment.
